They are about to manage doodles entirely

MR

Did you guys want to pass on any partnerships

Moshe Sacks

Wow

I still want to be your partner

Mason Rothchild

Agreed. I'm going to touch base with them after I form an entity.

Going to make a holdings company.

MR

That then has all projects under it.

Moshe Sacks

Mason Rothchild

So, Hermes filed a trademark lawsuit against me on Friday—although they didn't send me or my lawyers a copy. My lawyers and I have reviewed Hermes' complaint. Hermes' claims are groundless and we look forward to defeating those claims in court and helping to set a precedent.

I am not creating or selling fake Birkin bags. I've made art works that depict imaginary, fur-covered Birkin bags. You can see an example below.

My lawyers at Lex Lumina PLLC put it well when they said that the First Amendment gives me the right to make and sell art that depicts Birkin bags, just as it gave Andy Warhol the right to make and sell art depicting Campbell's soup cans.

I have the right also to use the term "MetaBirkins" to describe truthfully what that art depicts, and to comment artistically on those bags and on the Birkin brand.

The fact that I sell the art using NFTs doesn't change the fact that it's art. It's quite clear from reading Hermes' complaint that they don't understand what an NFT is, or what NFTs do.

We have tried to be reasonable. Hermes first

sent me a letter threatening a lawsuit if I didn't knuckle under and stop doing MetaBirkins altogether. We wrote to them and explained that we were doing nothing we didn't have a right to do. We told them that we believed that the dispute could be resolved through an informal conversation between me and an Hermes representative. Hermes chose instead to break off negotiations and sue me.

I hope Hermes understands that I won't be intimidated.

MR

This was purely an intimidation tactic

They think I'm afraid of lawyer fees

MR

Ima degen this shit

Moshe Sacks

Yeah

This was pretty dumb way to go about it

Mon, Jan 17, 9:33 AM

Mason Rothchild

MR

yeah hermes legal team

confirmed dumb as fuck

MR

just emailed us saying

"here's the lawsuit, but... we're still willing to negotiate"

MR

Mason Rothchild

Yo yo

MR

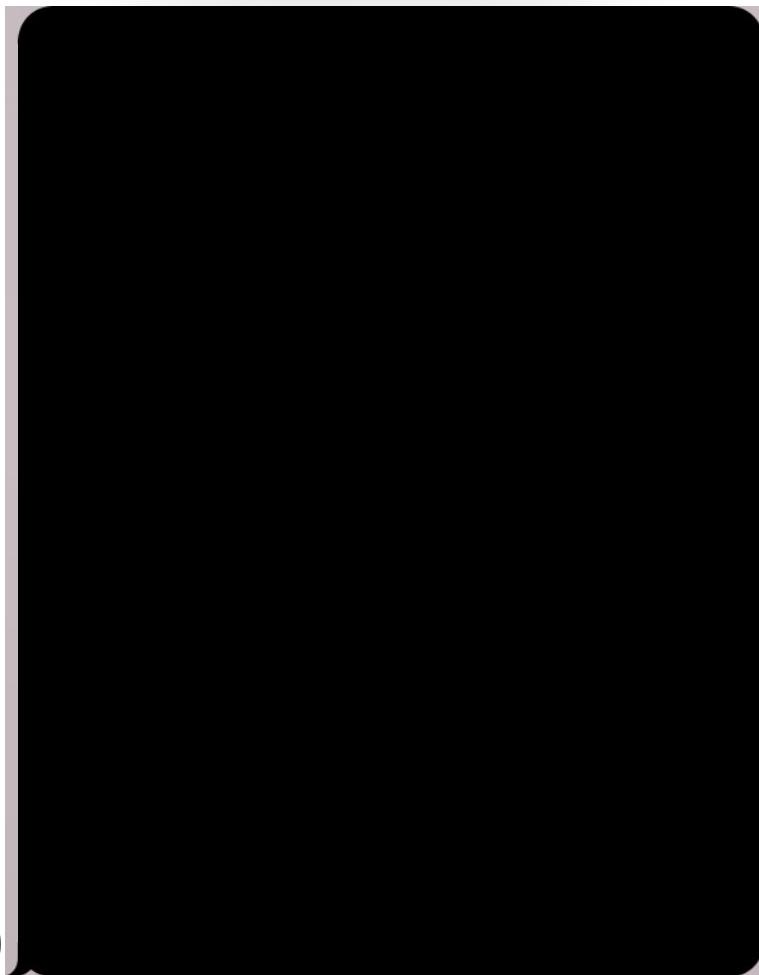

So Hermes getting nasty

So i have a plan for next drop

Call the next collection Irreparable Damage -
which is what Hermes claimed I did to their
business in the lawsuit. In the collection I'll
make it a bigger point that the collection was
meant to speak to being cruelty free since
they're simulated bags and reference
Hermes cruel past where they were caught
abusing crocs, ostriches and lambs.

Then drop gems lime this

MR

Jesse Lee

JL

How many of these?

Mason Rothchild

A frw

MR Few

Gonna do albino croc

Ostrich

Lamp

MR Lamb*
